

CHAPTER 6: LIST OF PREPARERS

The lead agencies for the BP Cherry Point Cogeneration Project Draft EIS are Bonneville and EFSEC. The Draft EIS was written with the technical assistance of Shapiro and Associates, Inc. Individuals responsible for preparing the EIS are listed below.

6.1 BONNEVILLE STAFF

Thomas C. McKinney – Bonneville Power Administration, NEPA Compliance Officer. Contributed to underlying need for action section. Education: B.A. Geography. Experience: 23 years of environmental analysis experience.

Patrick R. Rochelle – Bonneville Power Administration, Network Planning, Electrical Engineer. Performed technical evaluation of the integration of the project into the Bonneville Power Administration system. Education: B.S. Electrical Engineering, M.S. Electrical Engineering. Experience: 15 years of electrical engineering in maintenance and utility engineering.

6.2 CONSULTING STAFF

Christopher J. Andersen – Senior Environmental Planner, Shapiro and Associates, Inc. Primary author or contributor to agricultural land, crops, and livestock, energy and natural resources, land use, visual resources, light and glare, population housing and economics, and public services and utilities. Education: B.S. Environmental Science and Public Policy. Experience: 11 years.

Mark Adams – CDM. Author for water/water resources section. Education: B.S. Geology, University of Oregon; M.S. Geology. Experience: 25 years.

Monica Beckman – CDM. Responsible for Health and Safety Section. Education: B.S.E. Industrial and Operations Engineering. Experience: 15 years.

Marc E. Boulé – Senior Vice President, Shapiro and Associates, Inc. Responsible for the analysis of water resources, water quality, wetlands and wetland mitigation, and vegetation. Education: B.S. Geology, M.S. Marine Science. Experience: 33 years.

Jason Detamore – Acoustic and Air Quality Specialist, Shapiro and Associates, Inc. Primary author of the air quality section. Education: B.S. Environmental Science, certification in FHWA Fundamentals and Abatement of Highway Traffic Noise, and Modeling of Mobile Source Air Quality Impacts. Experience: 3 years.

Calvin Douglas – Senior Ecologist, Shapiro and Associates, Inc. Responsible for the analysis of wetlands, agricultural land, crops, and livestock, vegetation, wildlife, habitat, fisheries, and T&E species. Education: B.S. Wildlife Biology. Experience: 18 years.

Linda Goetz – Senior Archaeologist, Shapiro and Associates, Inc. Responsible for the analysis of cultural resources. Education: B.A. Anthropology and Archaeology. Experience: 18 years.

Jack Gougé – Regulatory Compliance Manager, Shapiro and Associates, Inc. Responsible for the health and safety section. Education: B.S. Geology and Cultural Anthropology, M.S. Biological Sciences and Residential Development. Experience: 29 years.

John Greene – Senior Environmental Scientist, Shapiro and Associates, Inc. Responsible for preparing the earth and water quality sections of the EIS. Education: B.S. Environmental Science. Experience: 19 years.

Stephen B. Lovell – Senior Transportation Planner, Shapiro and Associates, Inc. Responsible for preparation of the traffic section. Education: B.S. Civil Engineering, Professional Certificate in Transportation Planning. Experience: 33 years.

Shannon Moore – Acoustic Specialist, Shapiro and Associates, Inc. Primary author for the noise section. Education: B.S. Zoology, certification in FHWA Fundamentals and Abatement of Highway Traffic Noise. Experience: 8 years.

Dick Myers, ASLA – Senior Landscape Architect, Shapiro and Associates, Inc. Contributor to analysis of visual resources, light and glare. Education: B.S. Landscape Architecture. Experience: 29 years.

Lance Peterson – CDM. Education: B.S. Geology, Western Michigan University; M.S. Geology. Experience: 15 years.

Keith Ward – CDM. Author for Earth Section. Education: P.S. Civil Engineering, Michigan State University; M.S. Civil/Geotechnical Engineering. Experience: 10 years.
